

Contra Costa Health Plan (CCHP) is pleased to participate in Region 5. CCHP is celebrating 40 years of providing health care coverage for low-income and vulnerable populations in addition to Medi-Cal and group insurance. We currently care for the county residents in the Low Income Health Plan (LIHP), many of whom will become eligible for Covered California and wish to offer them the opportunity to retain their same physician and medical home. CCHP offers 24/7 advice nurse assistance, as well as case management and transition care nurses to assist patients being discharged from hospitals to receive timely appointments with their doctors. CCHP is pleased to continue to be a part of the health care solution, in the past, in the present and in the future.
